The Grandparents Raising Grandchildren (GRG) Program assists and supports local grandparents who are raising their grandchildren. The number of grandparents in this situation is on the rise; Idaho is the third fastest growing state where grandparents are the primary caregivers for their grandchildren.

The GRG program can assist grandparents with a number of different issues pertaining to:

- Legal; how can the grandparents best protect their grandchild.
- Financial; there are many programs grandparents may be eligible for because they are caring for their grandchild.
- Counseling; many grandchildren are suffering from traumatic experiences.
- Support Group; grandparents need to know they are not alone.

If you know of a grandparent in this situation or you are a grandparent, please contact Emily Hoyt or Carly High at 522-5391 or chigh@eicap.org for more information.
