

# Idaho Falls Catholic Community Vision & Mission Statement

## Vision Statement.

Through God's grace we are drawn together in faith, hope, and charity as we strive to achieve salvation by building a strong Catholic Christian community firmly rooted in the gospels and the living sacraments.

## Mission Statement.

As members of the Body of Christ, united with the Diocese of Boise and the universal Church, we, the People of the Idaho Falls Catholic Community are called to build up the Kingdom of God and achieve salvation by:

- Promoting a single community of life-long faith formation; spiritual growth through Scriptures, Sacraments and prayer; and recognition of cultural diversities.
- Defending and caring for those who are most vulnerable and in need through prayer and charitable acts.
- Enhancing stewardship and growth through talent, finances and education to meet the needs of our growing Catholic community.
- Providing the necessary facilities and resources to fulfill our Vision and Mission Statements.
