MARITAL INFORMATION

NOTE: The Church considers marriage a sacred covenant between a man, a woman, and God that cannot be simply dissolved by civil divorce. As such the Church must formally review the circumstances of any previous unions to determine their authenticity and determine if the person(s) involved has the freedom to enter into Sacramental marriage in the Church. If you or your spouse were previously married or married and divorced outside the Church, a meeting with a Deacon or Priest is needed to determine the steps necessary to address these relationships.
